

Network Specialist

EXEControl Global Solutions is seeking bright, conscientious candidates to join our highly-regarded networking support team. Candidates should have exceptional customer service skills combined with strong desktop and server knowledge. Knowledge in LabTech, Meraki routers and Wi-Fi, VMware and Office 365 is desirable but not required.

EXEControl Global Solutions has been providing Information Technology Solutions for 50 years. We are a privately held corporation with technical support performed in our Clifton Park, New York headquarters and from our Charlotte regional office. More information about EXEControl Global Solutions can be found at www.execontrol.com.

The chosen candidates will enhance their networking skills in every aspect of today's complex business computing environment. They will also learn best practices and techniques, database management and network design. EXEControl Global Solutions has a long-term relationship with industry groups, such as The ASCII Group, which provides opportunities for employees to develop their professional skills. Employees are also encouraged to pursue technical certifications and to participate in our user conference to hone their presentation and training skills.

RESPONSIBILITIES:

- Install and troubleshoot local and remote PCs, printers, networks, servers, domains and email systems
- Design and recommend network and domain configurations
- General software and hardware troubleshooting
- Provide technical support with Windows applications and operating systems
- Client management
- Training internal staff and customer base
- Database management and support
- Emergency support rotation for after hour assistance to clients

QUALIFICATIONS:

- Strong troubleshooting skills
- Ability to prioritize, multi-task and manage time efficiently and effectively
- Work well within a team environment and be able to follow directions
- Demonstrate strong work ethics and take ownership for own work
- Excellent written and verbal communication skills

This is a permanent full-time position. The hours are Monday-Friday 8AM-5PM. Salary is negotiable, based on experience.

This is a great opportunity to be part of an industry-leading team with a rewarding and challenging work environment. EXEControl Global Solutions provides a competitive compensation and benefits package including Medical, Dental, Paid Time Off, and an IRA with a company-sponsored match. Come join a dynamic team with a focus on helping clients and our community.
